

Dear Business Owner,

The Cleveland Youth Running Club (CYRC) is comprised of kindergarten through 8th grade participants from across the Northeast Ohio Region. Founded in 2019, CYRC is inclusive of all youth runners - from beginners to future Olympians.

We are currently the three-time defending Ohio State Champions and National Runner-Ups in Cross Country. We continued that success into the Cross Country Season and have multiple All-Americans on our current roster. Our kids represent the Club's mission as we provide the youth of the Cleveland area with knowledge of running, the desire to live a healthy lifestyle, and the tools to become leaders. We build a community through cross country, indoor track & field, and outdoor track & field by encouraging teamwork, social responsibility, academic excellence, respect for others, and self-discipline.

On behalf of our young runners, we would like to ask for your support to become a sponsor for the 2022 - 2023 year for our cross country, indoor track & field, and outdoor track & field seasons.

Our goal is to minimize the financial boundaries that come along with training and competition for our runners. Any support is much appreciated and will go far in making each kid's dream come true to continue their journey to States and Nationals. Our participants fuel their dream through their commitment to hard work and with the support of fellow teammates, coaches, and family.

As a sponsor you become a part of our CYRC community. Your participation would help us provide the runners with entry fees, equipment, warm-ups, tents, and travel to the Ohio State Championships, AAU Championships, Coaches Championship, and USATF Nationals during these seasons.

Please reach out to any of us with any questions that you may have, or to join us on a run.

We thank you for your time and consideration,

Your Cleveland Youth Running Club Coaches,

Craig Nieset

Justin C. Thomas

Brad Geletka
